Let us pull out the tares!

Jennifer René Daniel

"But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them!". **Mt 13:29**: Judge not that ye be not judged! For with what judgement ye judge, ye shall be judged; and with what measure ye mete, it shall be measured to you again! **Mt 7:1**

Dear Lord, let us pull out the tares! The eager servants cried We can't accept an alien plant It should not stay, abide!	Wait, wait, the Master cried, don't touch Or pull a single tare For you see with a human eye A superficial stare!	Remember those who judge, condemn Will fall a prey in turn! Don't touch the Lord's anointed The Master's voice was stern!
We're very able, Lord, to judge Those tares identify Thus let us rip them from the field Thy crop to purify!	I see beneath the outward form Into the human heart My workings there you can't perceive Don't pull it all apart!
