At The Brink

Jennifer René Daniel

Lord - as I step at the brink of the year
Thoughts crowd and threaten that fill me with fear
Where will it lead - will my footsteps still hold
Will I be able to stay in the fold?

Child I am leading you into the year
With Me beside you - what reason to fear?
My arms will carry the fragile and frail
My breast a resting place when storms assail

Lean on Me heavily - I am your stay
My word - the staff that will lighten your way
Nought is unknown to Me - I am your guide
All that I ask, child, is 'Stay by My side'
